End-of-Sale for Astah Engineering Pack License

Overview

Astah announced the end-of-sales for Astah Engineering Pack License along with end-of-life for Astah GSN product.

Milestones

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale of Astah GSN product and end-of-life of product licenses is distributed to the general public.	September 30, 2022
End-of-Sale Date	The last date to order the product through Astah Online Store and resellers. The purchase of these products is no longer available after this date.	March 31, 2023
Last Delivery Date	The last-possible ship date of the purchased license. This is the ship date from Astah to the customers who purchased through Astah Online Store and also from Astah to the resellers. The delivery date from the resellers to end-users is dependent on the reseller.	April 3, 2023
Last Date of Support	The last date to receive technical support regarding the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	March 31, 2024
Last Date of Download	The last date to download Astah GSN product. You will no longer be able to download the installers of Astah GSN from our website after this date.	March 31, 2024

Affected product licenses

The following licenses are no longer for sale.

- Astah Engineering Pack License
- Astah GSN Annual License
- Astah GSN Organizational License

How to renew Engineering Pack License

We apologize for the inconvenience.
Purchase of Astah Engineering Pack license is no longer available, so please purchase the licenses for each product you need individually.

How to continue using Astah products

Here're suggested options depending on which products you are using with Engineering Pack License.

- If you are using all three products (Astah Professional, Astah SysML and Astah GSN)
- If you are using only two products:
  - Astah Professional and Astah SysML
  - Astah Professional and Astah GSN
  - Astah SysML and Astah GSN

## Customers on auto-recurring Subscription

All the auto-renewal subscriptions have been canceled already.

Product migration option
If you are using both Astah SysML and Astah GSN:

Astah System Safety is the newest modeling tool of Astah series that supports GSN and SysML.
You can load your Astah SysML and GSN files to Astah System Safety. So if you are using both Astah SysML and Astah GSN with your Astah Engineering Pack License, switching to Astah System Safety is an option.
